Professional Personnel Conferences and Visitation

After application to and with the prior approval of the Superintendent or designee, staff members may be released with full pay to attend conventions, professional meetings, and workshops, visit exemplary programs, and participate in other professional growth activities. At the time of approval, the Superintendent or his/her designee shall indicate which expenses, if any, shall be provided by the District. After participation, a written report may be requested by the Administration summarizing the highlights of the activity. Staff members also are to share these activities with their colleagues.
