Dear Geneseo Parents, Teachers, and Staff:

Pursuant to our Integrated Pest Management policy and the Lawn Care Products Application and Notice Act you are hereby notified of an application schedule for pesticides to the school grounds.

The Geneseo CUSD #228 Maintenance Department will treat the grounds surrounding Millikin Elementary School for weeds the weekend of September 11-13, 2007.

If the weather does not permit the treatment on the first day, it will be done on the next day that weather does allow treatment. Substantial rain or wind would cause treatment to be postponed to the next day.

When the treatment is completed, the Geneseo CUSD #228 Maintenance Department will post signs as required by law that the area has been treated.

If you have any questions, please call the Unit Office at 309-945-0450.

Sincerely,

Jack B. Schlindwein
Director of Operations
IPM Coordinator
