Re: Summer 2011 Pest Control Treatments

Pursuant to our Integrated Pest Management Policy and the Lawn Care Products Application and Notice Act, you are hereby notified of the application schedules for pesticides to the school buildings and grounds during the summer months.

It is our intent to have Emerick Pest Control, of Geneseo, IL, treat particular locations in each building this summer during the month of July. We chose a time when there is very little activity and few people in the buildings. The pesticide application schedule is as follows:

<b><u>School/Building</u></b>	<b><u>Date</u></b>
Northside Elementary School	Tuesday, July 5, 2011
Southwest Elementary School	Tuesday, July 5, 2011
Millikin Elementary School	Tuesday, July 5, 2011
Rock River Alternative School	Wednesday, July 13, 2011
Unit Office	Wednesday, July 13, 2011
Geneseo High School	Wednesday, July 13, 2011
Geneseo Middle School	Thursday, July 21, 2011

On the exterior of the buildings, our licensed maintenance staff will apply weed control during the weeks of June 13-17, 2011 and July 25-29, 2011. If the weather does not permit the treatment outdoors, it will be done on the next day that weather does allow treatment. Substantial rain and/or wind would cause treatment to be postponed to the next day. When the outside treatments are completed, signs will be posted, as required by law, that the area has been treated.

If you have any questions, please call the Unit Office (309-945-0450). Thank you.
